October 22 is our Fall Festival lead by the 5th and 6th Grades class. We are inviting all classes to participate this year. LITL is planning special activities for the families. We need bakers and cooks and game leaders as well as customers. We would like each class to bring ingredients for specific recipes. We will be collecting gently worn coats, jackets and sweaters again for resale. Watch for flyers on this that will be sent home with the children.

Autumn is on its way. More fun to come.

Through His Church,

With His Help,

In His Name.
